WELCOME TO WATERSLIDE

The spacious, modern interior and eclectic mix of historical images surrounding you pays homage to what was once Melbourne's outdoor playground during the 1800s and 1900s. Waterslide's surroundings are steeped in entertainment history as the former home of Princes Court, a vibrant precinct where the community celebrated live music, arts and culture.

Princes Court was headlined by Australia's most famous circus families including the Fitzgerald Brothers' Circus in the 1870s and Wirth's Circus in the 1900s. They staged attractions coined the 'Greatest show on Earth' to entertain thousands. From the 1920s to 50s Melbourne's elite would flock to the exclusive Green Mill dance hall nearby. This nightspot hosted extravagant parties and became the place to be seen with its 'in-the-know-only' door policy drawing massive queues and becoming the hub of city gossip.

Princes Court's most amazing attraction was the giant wooden Water Chute, a waterslide taller than the skyscrapers at the time! Comfortable cars hauled by electric motor power conveyed the adventurers to the summit where they would plummet down at high speed splashing into the pool below.

The adventurous and pleasure-seeking traits of the Water Chute ride are exactly what we want you to celebrate with us at our modern 'Waterslide'.
